

TOWN OF RIDGEWAY
ZONING BOARD OF APPEALS
JULY 7, 2015 7P.M.
410 WEST AVE MEDINA NY 14103

MEMBERS PRESENT:

Larry Meyer (Chairman)
Richard Cichocki
Alice Roth
Ray Wendling
Dan Wilson

CALL TO ORDER:

At 7P.M. Chairman Meyer called the meeting to order with the reciting of the pledge of allegiance.

APPROVAL OF THE AGENDA:

Mr. Meyer asked for a motion to approve the agenda ray Wendling approved the motion Dan Wilson seconded the motion and it was carried unanimously.

APPROVAL OF THE MINUTES OF THE JUNE2, 2015 MEETING:

Dan Wilson

Mr. Meyer asked for a motion to approve the minutes as presented Richard Cichocki approved the motion with Ray Wendling seconding and the motion was carried.

OLD-BUSSINESS:

Chairman Meyer handed in his certification for the prior months training session at Hoag Library in Albion, Alice Roth and Richard Cichocki also attended and will turn their certification into the secretary.

NEW BUSINESS:

Kevin Cefelli of 11983 Ridge road is asking for a height variance of two foot as he would like to erect a six foot fence in the front of his home and variance of two foot would be required. Although there was no public hearing scheduled for that night it was decided unanimously that the Zoning Board would hold a special public hearing on July 16, 2015 at 7:00 so that Mr. Cefelli would be able to erect his fence as soon as possible as the clerk did not know that a public hearing was to be scheduled.

DATE OF NEXT MEETING:

A Public Hearing is scheduled for July 16, 2015 7 P.M.

As there was no further business Mr. Meyer asked for a motion to adjourn Alice Roth approved the motion seconded by Dan Wilson and the meeting was adjourned at 7:25 P.M.

Respectfully submitted by,

Karen L. Kaiser
Clerk

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to ensure the validity of the results.

3. The third part of the document describes the different types of data that are collected and analyzed. It includes information on both quantitative and qualitative data, as well as the specific variables being measured.

4. The fourth part of the document discusses the various statistical techniques used to analyze the data. It covers both descriptive and inferential statistics, as well as the use of regression analysis and other advanced methods.

5. The fifth part of the document describes the different ways in which the results of the analysis are presented and communicated. It includes information on the use of tables, graphs, and other visual aids to make the data more accessible and understandable.

6. The sixth part of the document discusses the various challenges and limitations associated with data collection and analysis. It highlights the need for careful planning and execution to ensure the quality and reliability of the data.

7. The seventh part of the document describes the different ways in which the results of the analysis are used to inform decision-making and policy development. It includes information on the use of data to identify trends, assess risks, and evaluate the effectiveness of various programs and initiatives.

8. The eighth part of the document discusses the various ethical considerations that must be taken into account when collecting and analyzing data. It highlights the need for transparency, accountability, and respect for individual privacy and rights.

9. The ninth part of the document describes the different ways in which the results of the analysis are used to inform the public and other stakeholders. It includes information on the use of data to raise awareness, educate the public, and influence policy-making.

10. The tenth part of the document discusses the various future directions and opportunities for data collection and analysis. It highlights the need for continued innovation and investment in data science and analytics to ensure the organization remains competitive and effective in the future.
