COMMUNICATIONS:

Chairman Fenton offered the Town of Ridgeway Board Meeting minutes from January 22, 2019 for perusal to the board members

OLD BUSINESS:

Planning Board Applications for Alternate Board Members were presented.
Dan Fuller- Board members asked questions in regard to what he would bring to the board and explained what the board entailed in regard to commitments and training required.
Kathy Blackburn- was not able to attend.
The committee stated that the decision would be tabled until next month when they could interview the other applicant.

NEW BUSINESS:

Dan Wolfe- code enforcement officer stated that Brad Hazel had bought the old machine shop in Knowlesville. He wanted to give the board the heads up as he wasn't sure if they could reinstate or if a new SUP would need to be submitted. The Board asked that a new SUP be submitted and they would discuss.

Dan also stated he attended the County Planning Board Meeting where a food cart and solar energy law for Shelby were discussed. A copy of Shelby's food Cart law was provided. Dan does not feel that a law is needed in Ridgeway. In the past he has had them fill out a special permit and made sure they were all legal through the health department. Board member Tim Elliott offered to make some revisions to Shelby's law to discuss at the next meeting.

A request to go into Executive Session was made by Richard Fisher to discuss personnel applications. Non board members were dismissed. The executive session started at 7:20pm and the regular meeting resumed at 7:25 pm.

Chairman Fenton asked if there were any further questions or concerns. Since there were none, he asked for a motion to adjourn the meeting. Tom Kline made a motion and was seconded by Richard Fisher. The motion was carried and the meeting was adjourned at 7:26 pm.

Next meeting is scheduled for April 3, 2019 at 7:00 pm.
