Supervisor Napoli opened the Public Hearing at 7 P.M. with a short explanation of the tax rate which will be going down. It will decrease fifteen cents outside of the village and fourteen cents in the village. Assessments are going up, but should balance out due to the decrease. Supervisor Napoli thanked the Department heads for keeping numbers low and staying within the cap. We are receiving ARPA funds in the amount of \$300,000.00, half this year and half next year. We are planning to use a majority of the funds for Water District 15 to provide water lines for the remainder of the Town.

As there were no questions the public hearing was closed at 7:05 P.M.

Respectfully Submitted by,

Laurie Kilburn  
Deputy Town Clerk
