Local Law # 1 of 2023 entitled: A local law providing for the Administration and Enforcement of the NYS Uniform Fire Prevention and Building Code and NYS Energy Conservation Construction Code and establishing a Local Government Code Enforcement Program.

Supervisor Napoli asked Attorney Bogan to explain the Local Law that she and CEO Raduns had been working on. She explained that the Local Law is an update to the one done in 2014 which gives the Code Enforcement Officer authority to enforce New York State codes. The law is based on the State model and has about eight minor changes.
