CALL TO ORDER:

Chairman Fenton opened the public hearing for Curtis Jakubec's recreational pond SUP at 7:04 pm. There were 2 members of the community present including the property owner. Chairman Fenton asked if there were any questions from the public or planning board members. There were no questions from the residents or board. The application went to the County planning board meeting and it was approved by them with the stipulation that we correct the error in the setbacks to read 105 feet instead of 95 feet. Chairman Fenton asked if there were any other questions. There were no other questions from the residents. Chairman Fenton left the meeting opened for a bit to account for starting a minute early. Chairman Fenton called for a motion to close the public hearing at 7:25pm. Motion was made by Kathy Blackburn to close the hearing with a second by Richard Fisher. All were in favor with 5 ayes and 0 nays.

Respectfully Submitted by  
Joelle Brown  
Planning Board Clerk
